

## 5.1 Detail solution

22/06/2026

### Warm roof greened with solar system

#### Legend

1. Contec.greenlight solar systems including drainage and water reservoir
2. Contec.fior seeding
3. Contec.fior RCE roof substrate
4. Contec.flex protective layer
5. Contec.proof EPDM
6. Contec.therm thermal insulation
7. Contec.vap vapour retarder / temporary waterproofing
8. Substructure
